

kwik-ZIP[®]

HD Series

The range of *kwik-ZIP* HD (Heavy Duty) Series are available in 4 different bow heights:

HD 30 - 1.18" Bow Height

HD 50 - 2" Bow Height

HD 75 - 3" Bow Height

HD 100 - 4" Bow Height

All of these products will fit casing and pipe diameters ranging from 4.3" OD and greater and are therefore ideally suited for:

- horizontal and vertical applications
- double containment PIP applications and underground crossings
- gravel packed screens
- torque arrester
- casing, screen and pump riser installations

No special tools are required to install these products, that are manufactured from a heavy duty engineering thermoplastic called Acetal POM.

kwik-ZIP's GT Series are also available which will fit 0.70" OD to 2.56" OD pipe diameters.

kwik-ZIP's 155 and 380 Series are also available which will fit 2.28" OD and greater pipe diameters.

Note: HD Series cartons contain 30 units
