INERT CENTRALIZER SYSTEMS FOR THE DRILLING INDUSTRY

Email: [sales@kwikzip.com](mailto:sales@kwikzip.com)

Website: [www.kwikzip.com](http://www.kwikzip.com)

## SIZE TABLE: QUANTITY OF SEGMENTS / UNITS REQUIRED PER CENTRALIZER FOR VARIOUS PIPES - OUTSIDE DIAMETERS (OD)

**GT Series** - Suitable for Rock Bolts, Soil Nails and Small Diameter Bar and more...

Range Between 18mm (0.70") to 65mm (2.56")

18mm (0.70") to 29mm (1.14") = 2 segments / units (minimum)
29mm (1.14") to 46mm (1.81") = 3 segments / units
46mm (1.81") to 65mm (2.56") = 4 segments / units
65mm (2.56") and over use 155 Series

GT Series = 100 segments / units per carton (No Installation Tool Required)

Available in Bow Heights of: 20mm (0.78"), 30mm (1.18") and 40mm (1.57")

**155 Series** - Suitable for Casing, Well Screens, Drop Pipe, Anchors and more...

Range Between 58mm (2.28") to 228mm (9")

58mm (2.28") to 90mm (3.54") = 2 segments / units (minimum)
90mm (3.54") to 130mm (5.12") = 3 segments / units
130mm (5.12") to 180mm (7.09") = 4 segments / units
180mm (7.09") to 240mm (9.44") = 5 segments / units
240mm (9.44") and over use 380 Series

155 Series = 30 segments / units per carton (155 Series Installation Tool Required)

Available in Bow Heights of: 30mm (1.18") and 50mm (2")

**380 Series** - Suitable for Casing, Well Screens, Drop Pipe and more...

Range Between 160mm (6.29") and Greater

160mm (6.30") to 230mm (9.05") = 2 segments / units (minimum)
230mm (9.05") to 340mm (13.39") = 3 segments / units
340mm (13.39") to 460mm (18.11") = 4 segments / units
460mm (18.11") to 580mm (22.83") = 5 segments / units
580mm (22.83") and over refer to 380 Series Installation Guide

380 Series = 50 segments / units per carton (380 Series Installation Tool Required)

Available in Bow Heights of: 30mm (1.18") and 50mm (2")

**HD Series** - Suitable for Horizontal Cased Crossings, Slip Lining, Drop Pipe, Casing, Well Screens and more...

Range Between 110mm (4.33") and Greater

110mm (4.33") to 164mm (6.45") = 2 segments / units (minimum)
164mm (6.45") to 250mm (9.84") = 3 segments / units
250mm (9.84") to 330mm (13.00") = 4 segments / units
330mm (13.00") to 400mm (15.75") = 5 segments / units
400mm (15.75") to 480mm (18.90") = 6 segments / units
480mm (18.90") and over refer to HD Series Installation Guide

HD Series = 30 segments / units per carton (No Installation Tool Required)

Available in Bow Heights of: 30mm (1.18"), 50mm (2"), 75mm (3") and 100mm (4")
